

Newsletter – Autumn Term 2021

Welcome to the Autumn Term – we hope you have all had a good summer.

You may be aware that the Government has introduced a revised EYFS (Early Years Foundation Stage) and there are distinct changes for us on how we do our tracking, curriculum and observations on the children, but I don't think you will notice many changes.

Our main Topic for this term is 'Ourselves' and we would very much appreciate if you could respond to our request for a small family tree and complete the slip regarding "what my parents do" as soon as possible. Thank you.

A few reminders:

Please join our 'private closed Facebook' page (Wrens in blue metallic balloons with silver balloons below) for photos and information. If you don't join please let us know.

Notify us of changes in circumstances within your family (births/deaths/divorces etc) as it helps us understand possible behaviour patterns with your child.

If you have changed your address, mobile numbers, email address or whom you nominate to collect your child.

Please could every child bring in a bag/backpack with their slippers, wellingtons and a change of clothes (just in case) all named.

Please name all coats, hats, scarves etc too.

If you can contribute to our 'Harvest Food Bank Collection' that would be kind, its really needed.

We will hopefully be holding a Parents Morning for you to meet your child's Key Worker later in the term on a timed schedule basis – more information to follow nearer the time.

Please never hesitate to ask questions, talk to us of any concerns or ask for more information, we are here to help.
